

AUSSIE POOL FENCING

Swimming pools should be fun. But drowning is one of the leading causes of death for children. So protect your family today with Aussie Fencing's superior quality Pool Fence.

- ✓ Constructed from Aluminium with strong 19mm verticals – not 16mm like most other fencing on the market
- ✓ Thick, resistant powder coated finish
- ✓ Undergone rigorous testing to ensure our fences withstand the harsh Australian conditions

FLAT TOP POOL FENCING

Keep your family safe

Aussie Fencing's flat-top range of Pool Fencing has been constructed using the **finest quality materials** in our state of the art manufacturing plant.

Provide a safe, clean environment for your family and friends by installing a high quality pool fence. Our swimming pool fencing is made from durable materials that withstand exposure to weather, sunlight and water. Our panels are fully pre-treated and finished with an exterior grade Interpon powder coat.

And with our standard panels, both top and bottom horizontal bars are wrapped in bubble wrap so they can be loaded straight into your trailer without any damage or scratches.
